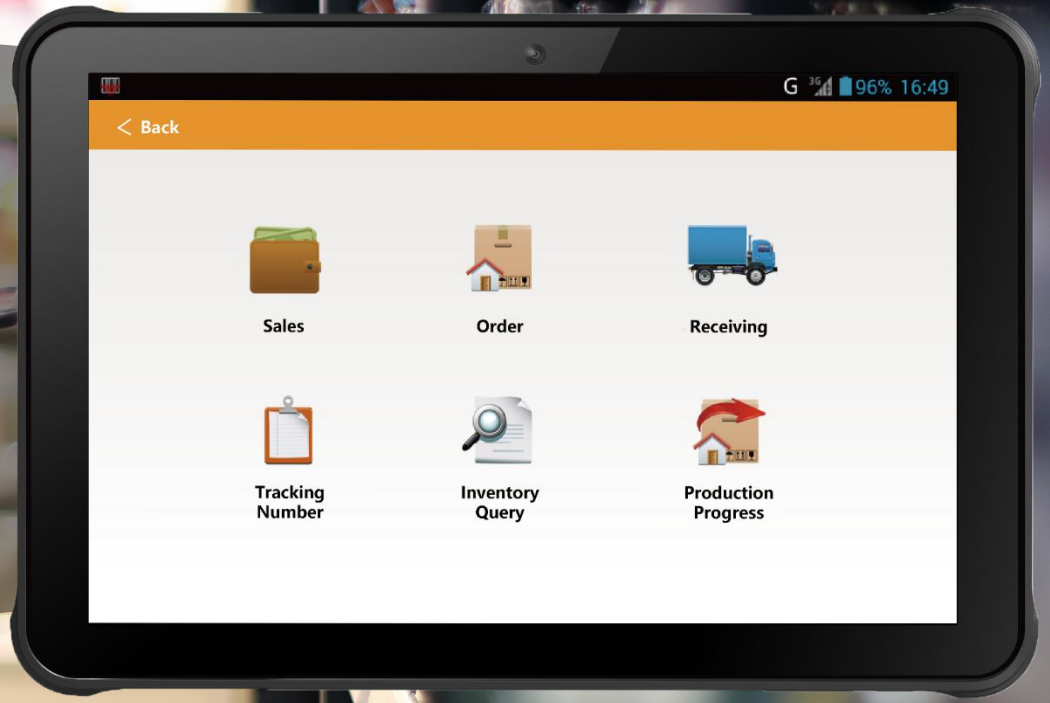
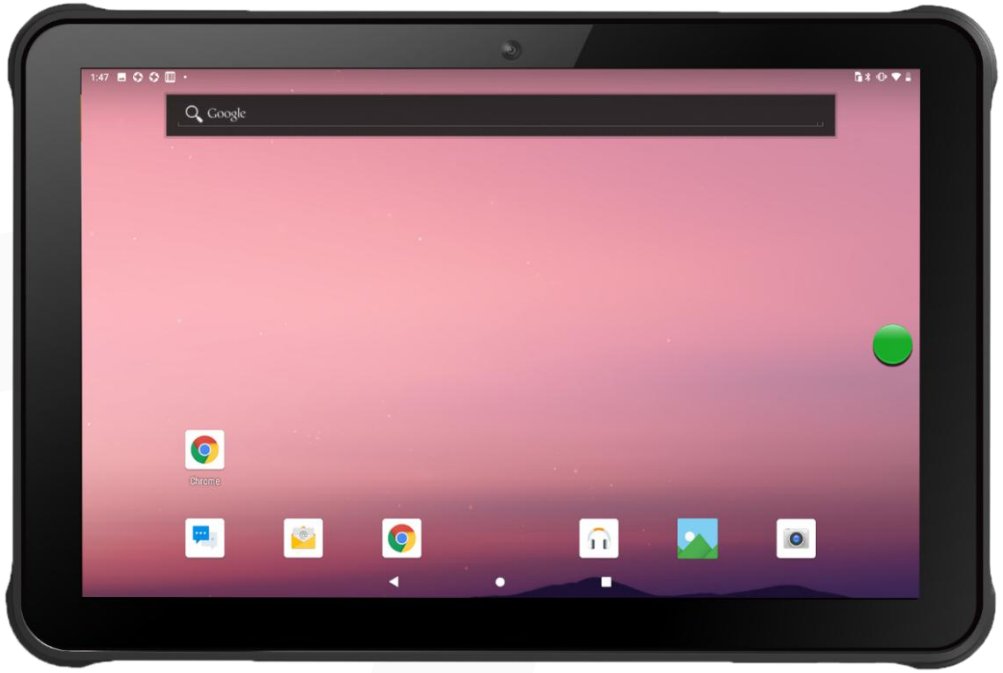
AUTOID®Pad Air
10.1-inch Industrial Tablet

Good Looking / Slim / Industrial



Product Intro



Good Looking, Slim, Industrial

- Consumer-grade Appearance & Industrial-grade Protection
- 10.1”,1080P High Definition display, clear and vivid color
- Android 9.0 with 2.2GHz Qualcomm Octa-core Processor
- Professional scan engine, fast reaction at barcode scanning
- 2x2 MIMO Dual band WIFI, quick and stable data transmission

Width: 10.8mm

Weight: 650g

Protection: IP65/1.2m

Typical Scenarios

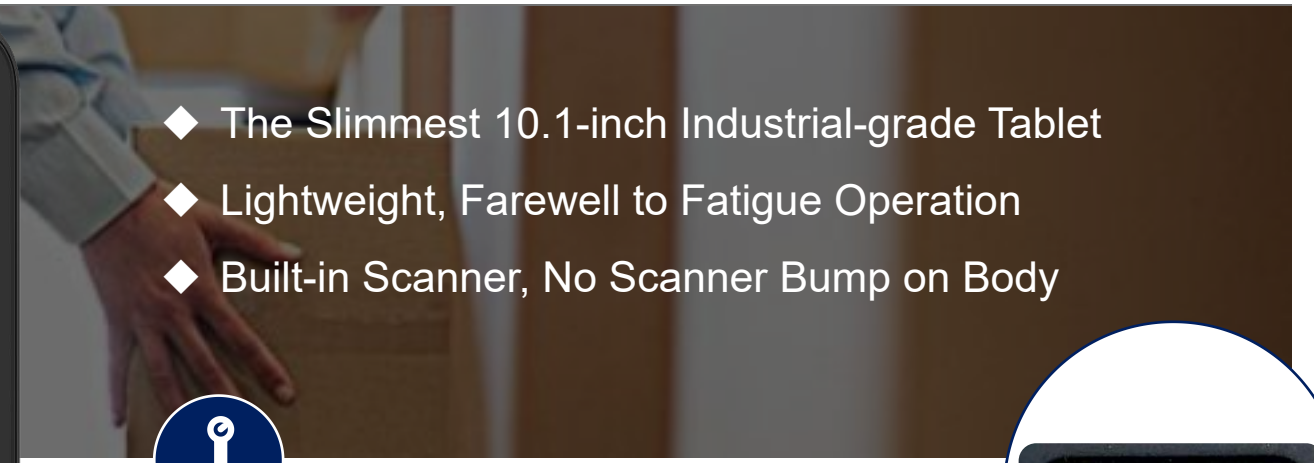
01

Features

Thin & Light, Easy Mobile Operation



- The Slimmest 10.1-inch Industrial-grade Tablet
- Lightweight, Farewell to Fatigue Operation
- Built-in Scanner, No Scanner Bump on Body

Weight: 650g

Width: 10.8mm

AUTOID®Pad Air Industrial Tablet

FullView Display Shows You Vivid Details

10.1-inch Fullview LCD Display
1920×1200 Resolution

Capacitive 10-point Touch
Support Touch With Glove / Water

Customizable 800nit High Brightness Display
Clear Display under Strong Light

The Ultimate Performance for Faster Processing

Android Version

- Snapdragon 8-core processor
- 14nm process, up to 2.2GHz main frequency
- Powerful performance, balanced power consumption
- 4+64RAM/ROM

Stay Powered for All-day Long

>30% Power Saving

AI Power Saving Technology

10040mAh Battery（Typical value）

High-performance Li-ion Battery

9800mAh Battery（Rated value）

PD(30W) Fast Charger

Charge 80% power within 1.5h

■ Also support QC3.0 charging protocol

Powerful Scanning, Ultimate Experience

HD barcode for Scanning

- Fast capture of over 3 times per second.
- Professional decoding and easily identify all kinds of faulty barcodes.
- minimum support of 4.4mil Code39

Megapixel Image Sensor, Super Simple Data Capture

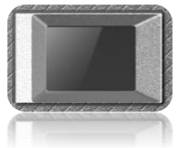
Consumer Appearance, Industrial Performance

Paired With Professional 2D Scan Engine

Easily identify all kinds of barcodes.

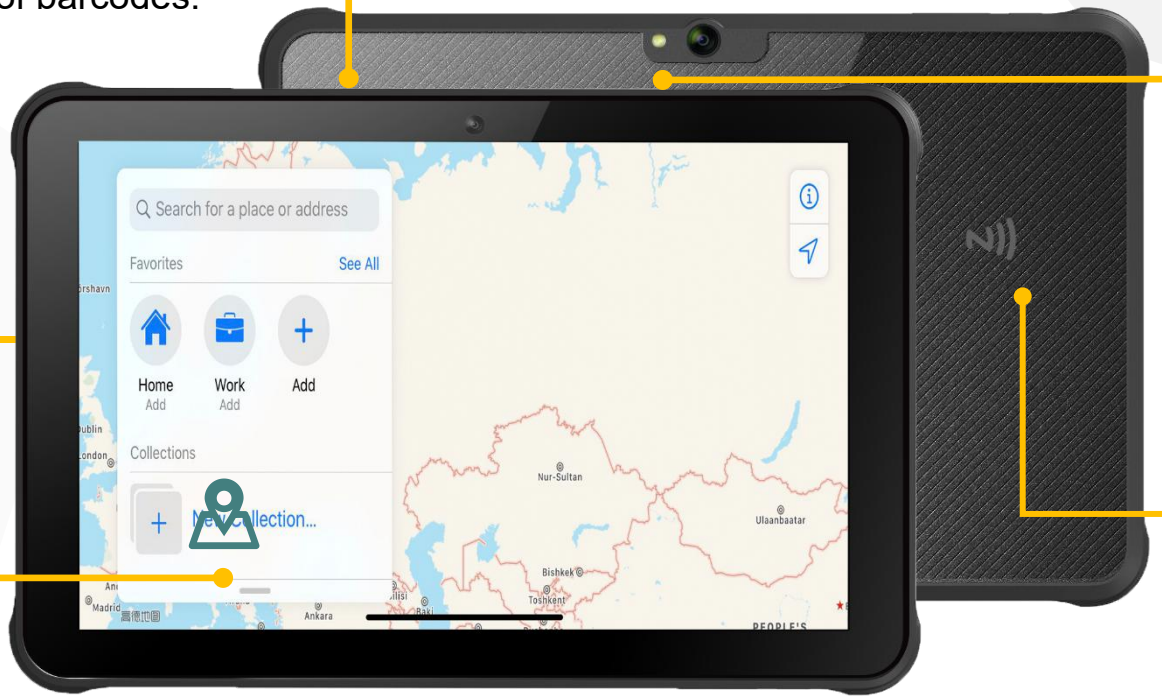
Optional Fingerprint Recognition

Make your application safer.



Multimode Positioning

GPS+GLONASS+Beidou+Galilieo



Rear 13MP/Front 8MP Camera

Satisfy your photography needs.

Back NFC Design

More Convenient Interaction

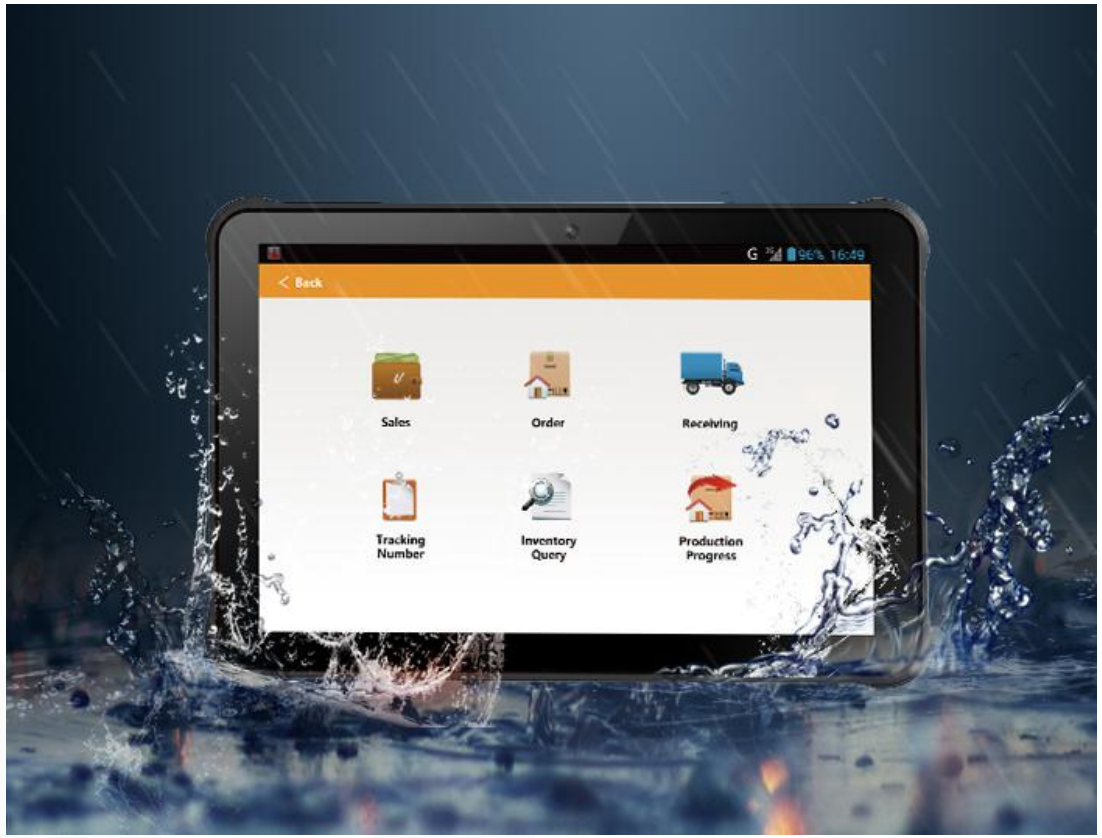
Bottom Contacts For Interfaces Extension

- Optional multifunctional base (Including USB, RS232, RS485, RJ45, DC_ IN, etc.).
- More personalized extension applications.

Wider Coverage, Efficient Data Transmission

- 2×2 MIMO and 5G high-speed WIFI with faster connection, efficient data transmission and wider coverage.
- Excellent WWAN support 4G CA technology, it have excellent network performance both indoors and outdoors.
- Bluetooth 5.0 is twice the processing speed and 4 times the coverage of Bluetooth 4.0 with lower power consumption. It can easily connect Bluetooth peripherals such as scanner, headphone, and printer.

Slim But Rugged



Dust (IP65)

Low Temp. (-10℃)

High Temp. (+50℃)

Port Operation (Salt Fog)

Rain (IP65)

Industrial Oily Environment

Long-term Glare Radiation

Over 60 Reliability Tests, Challenge Demanding Environments

IP65 Sealing / **1.2m** Drop / **60+** Reliability Tests

MDM Makes Management Visible

Order

Order Example

Standard/Optional	Parameter/Feature	Feature Code	Configuration
Standard	CPU	/	Qualcomm Octa-core 2.2GHz
	Operating System	/	Android 9.0
	RAM/ROM	/	4G/64G
	Display	/	10.1寸，1920*1200，370nit
	Power	/	10040mAh（Typical value）
	Protection	/	IP65/1.2m Drop
	WWAN	/	4G Full Network
	WIFI	/	IEEE 802.11a/b/g/n/ac; 2X2 MIMO
	Bluetooth	/	Bluetooth 5.0
	CAMERA	/	8MP Front/13MP Rear Camera
Optional	2D Image Scan Engine	X3(HD)/X3(MR)	2D Image Scan Engine
	Fingerprint	F	/
	Grip	H	Grip

Order Example:

- Standard models, the model should be:**AUTOID Pad Air-2.2Q8-9.0-4/64-X3(HD)GC13/8**
- Grip models, the model should be:**AUTOID Pad Air-2.2Q8-9.0-4/64-X3(HD)GC13/8-H**

Standard accessories

Android Version

30W Power Adapter

Material: JHD-AP030C-PD-CF501(CN)
Material: JHD-AP030E-PD-CF501 (EU)
Material: JHD-AP030B-PD-CF501(UK)
Material: JHD-AP030U-PD-CF501(US)

Double TYPE-C Cable

Material: USB TYPE-C TO USB TYPE-C
L=1000mm Black OD:3.5mm TPE

Hand Strap

Material: D523_BELT_BL_V1

Optional accessories

Android Version

Multifunctional Base

Material（CN）：APad Air-Cradle-M1E
Material（EU）：APad Air-Cradle-M1E-VX
Material（UK）：APad Air-Cradle-M1E-BX
Material（US）：APad Air-Cradle-M1E-UX

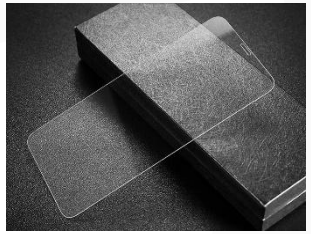
Shoulder Strap

Material：Shoulder Strap-A Pad Air-Series

Silicone Case

Material：D523_PROC_BL_V1

Screen Protector



Material：D520_PROF_V1
